TREASURE HUNT

"Not all treasure is Silver and Gold mate" the theme for the treasure hunt 2022 organized by the Holy Trinity Parish Youth, Benaulim. After careful planning and plotting the day finally arrived, 23rd of October where 5 teams set out to find the ultimate treasure. It was a perfect opportunity for the youth to display their abilities of Teamwork, strength, stamina, smartness, persistence and most importantly knowledge about the bible. 16 clues kept in different places within the parish and each clue tougher than the other along with a challenging task with each clue to win it all. Lets just say it was a staggering hunt through the scorching heat and difficult navigation. In the end only one team could win it, but it was a great event for many first timers to experience and take home with them a new experience. The day was ended with a small lunch together and yes not forgetting the traditional "ICE WATER BATH"
